Prayer intentions will be most welcome; please email [clairelowery1998@gmail.com](mailto:clairelowery1998@gmail.com) or pass on a written copy to the parishioner who delivers your weekly news.

Please seek permission if you use names in your prayer intention.

As we begin this season of Advent, this time of waiting and hope, we pray that we can prepare ourselves for the Christmas Feast and look forward to time with family and friends.

Our faith gives us strength to grow in love and compassion. Let us learn to care one for another and the people around us. May we always show kindness to strangers and those in need.

We give thanks for the comfort that we find in our faith; we pray for those who are grieving, especially during this past month of Remembrance.

We pray for all those who work within and for the community of our parish, which keeps us together as a family. We also ask for support as we continue to work for the wider good through Green Pastures and our community projects.

Let us pray for the young people of our communities as they grow, that they may learn to walk with Jesus and live their lives with confidence, dignity and compassion.

This week the Pope asks us to pray especially for the care of asylum seekers, refugees and exiles. We also remember those separated from their loved ones, young people who are lost, and those who have left or run away from home. May they be led safely to the place where they belong.
