

livesimply

The *livesimply* award is an opportunity for Catholic communities - parishes, schools, religious orders and chaplaincies - to respond to Pope Francis' invitation in *Laudato Si'* to “work with generosity and tenderness in protecting this world which God has entrusted to us”.

It is awarded to communities who can show how they have been living:

- simply
- in solidarity with people in poverty
- sustainably with creation.

Some *livesimply* award communities have encouraged people to walk or cycle to church or school, install solar panels, start recycling schemes, join a climate change campaign, support Fairtrade stalls or donate to a local food bank. The award celebrates what you have already done and inspires you to do more. It helps your community to live, not just more simply, but also more fully.

The *Laudato Si'* Group is beginning to look at ways in which St. Peter's Church can be involved in the *livesimply* programme & achieve the award for our Parish through our efforts.

We would like everyone in the Parish to be involved in the project, in putting forward ideas, reducing our footprint, and we look forward to our progress in 2022.
