On this Remembrance Sunday we pray for all of those who have died in conflict, sacrificing their lives for others. Without them we would not have our freedom – At the going down of the sun & in the morning we will remember them. May they rest in peace.

During this month of Remembrance we think of all of our family & friends who have died over the years. We remember the wonderful times we shared & the love we had for each other.

We pray that the Lord will look after all who are ill, especially those affected by the virus. Let us pray for all involved in caring for the health of those in need of help. We send prayers to all who are receiving care at the end of their lives, that they and their family & friends are allowed dignity, peace, compassion & understanding.

We pray that our Christian Community will inspire us to grow in Christ so that we can always give something of ourselves to others. May we have a strong faith and a capacity to offer a welcome to all.

As COP26 has drawn to a close, we pray for a renewed collaboration between nations; that enemies will put aside their differences so that all people may, together, live in freedom, justice and peace and look forward to a safe future on our planet.
