Lord Jesus,

Help me to appreciate the life I have right now and show me the good things I always overlook about myself and help me be content with myself. I thank you for pardoning my mistakes and loving me unconditionally. Please help me to do the same to the people around me and become a positive influence. We ask this through Christ our Lord, Amen.

Martin Jaimon, Cardinal Hume Catholic School

This Sunday marks the beginning of Passiontide, as we approach the final period of Lent. We pray that our church can be a source of help and compassion for everyone who needs to be supported through these difficult times.

We pray for the children of the Parish who have been so disrupted in their schooling over the last two years, and hope that the resilience of youth will help them to keep on track. We remember especially those who are starting to prepare for the Holy Sacrament of Communion.

This week we pray for those who are victims and survivors of sexual abuse. May they be helped to find justice and be able to find healing and support.

We offer our prayers for all who are ill & for those who care for them. We pray for those recently bereaved that they may find peace. May their faith bring comfort to them all.

We pray for the homeless and the wanderers, especially the young people who don't have the means or the courage to find their way through life. May they find the help they need to settle into steady, fulfilling lives.

We pray for those who have lost their way in life and those who have been unable to attend church recently for health reasons. Times have been hard during the pandemic, so let us hope that they will be encouraged to return along with everyone else to find a home in our Christian community.
